**RULES AND BYLAWS OF THE BOARD OF SUPERVISORS OF ST. CROIX COUNTY,
WISCONSIN**

INTRODUCTION

St. Croix County is a body corporate of the State of Wisconsin. On April 1, 2004 it became a self-organized county pursuant to Wisconsin Statutes § 59.10 (intro). The county seat is located at 1101 Carmichael Road, Hudson, Wisconsin. St. Croix County exercises its powers through the Board of Supervisors.

St. Croix County government provides services that promote the safety, health and welfare of our citizens and other public entities, through innovation and cooperation in a fiscally responsible and accessible manner.

This restatement to the Rules and Bylaws shall be effective May 5, 2015.

ARTICLE ONE

BOARD OF SUPERVISORS

Section A. Designation. The Board of Supervisors shall be referred to hereinafter as the “County Board.”

Section B. Role. The role of the County Board is to set the strategic mission and priorities for the County, establish the general policies by which the County is guided in its management of County affairs, consider and act upon resolutions and ordinances, provide financial oversight and build community relationships in support of the mission and priorities. The County Board selects the County Administrator and monitors the County Administrator’s management of the daily operations and implementation of policy.

Section C. Powers. The County Board may exercise any of the powers conferred on it by the laws of the State of Wisconsin in accordance with these Rules and Bylaws.

Section D. Committee of the Whole.

1. **Definition and Purpose.** The Committee of the Whole is a device in which a legislative body is considered one large committee. All members of the legislative body are members of such a committee.

Under Robert’s Rules of Order Newly Revised, and all subsequent editions thereof, when an assembly has to consider a subject which it does not wish to refer to a committee, and yet where the subject matter is not well-understood and put into proper form for its definite action, or when, for any other reason, it is desirable for the assembly to consider a subject with all the freedom of an ordinary committee, it is the practice to refer the matter to the “Committee of the Whole.”

These Bylaws of St. Croix County also permit the calling of a Committee of the Whole for any reason deemed appropriate by the party having the authority to call a meeting of the Committee of the Whole. Matters appropriate for a meeting of the Committee of the Whole will generally involve issues having a county-wide impact. Matters of utmost urgency would generally be better handled by calling a Special Meeting of the County Board. Matters simply needing further study and analysis should generally be referred to the most appropriate Standing Committee and not to the Committee of the Whole.

2. **Causing a Meeting of the Committee of the Whole.** Meetings of the Committee of the Whole shall be caused to occur by means of a motion to refer the matter to the Committee of the Whole in an action taken during a meeting of the County Board, or at the call of the County Board Chair or at the call of the County Board Vice-Chair.

3. Scheduling of the Meeting. When a meeting of the Committee of the Whole is caused to occur as provided in Section D. 2. above, then the Chair or in the Chair's absence, the Vice-Chair, shall take steps to schedule the meeting as soon as shall be practical under the circumstances.
4. Presiding Officer. While the Chair of the Board may also serve as the Chair of the Committee of the Whole, the Chair, or in the absence of the Chair, the Vice-Chair, may choose to appoint any other Supervisor to serve as the presiding officer of the Committee of the Whole. It is the custom of this County to have the Vice-Chair serve as the presiding officer and for the Vice Chair to then offer the report of the Committee of the Whole to the County Board.
5. Quorum. A quorum of the Committee of the Whole is the same as that of the County Board.
6. Actions of this Committee. The Committee of the Whole may make and present recommendations by informal resolutions (meaning the resolutions need not be reviewed by legal, finance and administration) to the Standing Committee that is most appropriate to the matter being considered. Minutes are to be taken of the meetings of the Committee of the Whole in a manner similar to minutes of Standing Committee meetings.

Section E. Supervisory Districts and Terms. The County Board shall be comprised of one Supervisor from each of the 19 supervisory districts within the County. Supervisors shall be elected at the election to be held the first Tuesday in April next succeeding the expiration of the respective terms and shall take office on the third Tuesday in April following their elections.

Telephone or video conference appearances shall not be allowed. If the meeting is held outside normal business hours, the Supervisor is expected to notify the County Clerk or Department Head prior to the close of business on the day of the meeting. In the case of a Standing Committee absence, the County Clerk or Department Head will report the expected absence to the respective Chair of the meeting. The respective Chair shall determine whether to excuse the absence. All absences should be noted in the minutes of the meeting along with an indication of whether the absence was excused. Notwithstanding lack of notification, the Chair shall have discretion to determine, exercisable in a reasonable and practical manner, whether the absence is excused or unexcused.
- b. The acting Chair will direct that a roll call or other action is taken to record the names of the Supervisors in attendance at a meeting.
- c. The acting Standing Committee Chair will report the name of any Supervisor who accumulates three or more unexcused absences or five total absences within a year from properly noticed Standing Committee meetings to the County Clerk. The County Clerk will track County Board meeting absences and will provide a quarterly report to the County Board of any member of the County Board or its Standing Committees who accumulates three unexcused or more absences or five total absences within any 12 month period. Absence totals are tallied individually by Standing Committee or County Board meetings.
- d. The County Board may, consistent with the requirements of Wisconsin law, take whatever action it deems appropriate with respect to a person who has three or more unexcused absences or five total absences within any 12 month period per County Board or Standing Committee. Such action may include censure, suspension, or removal from the County Board or Standing Committee.

The clerk shall deliver one ballot to each County Board member present, repeating if necessary, until the position is filled.
- c. The person appointed shall serve for the unexpired portion of the term for which the person is appointed including any Standing Committee.
