OFFICE OF THE ST. CROIX COUNTY CLERK  
TO THE VOTERS OF ST. CROIX COUNTY

Notice is hereby given of a general election to be held in St. Croix County on November 6, 2018, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

### INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

#### Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an electronic ballot marking device (ExpressVote) to mark an optical scan ballot, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

Note: A voter must vote for Governor and Lieutenant Governor jointly on one ticket. A vote for Governor is also a vote for Lieutenant Governor. To vote for persons whose names do not appear on the ballot, write the names of individuals for both offices on the lines provided.

If a voter spoils an optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

#### After Voting the Ballot

After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

*Cindy Campbell, St. Croix County Clerk*

# REFERENDUM

---

---

## TOWN OF CADY REFERENDUM

---

Town of Cady Voters Only

“This is a nonbinding question to give the Town Board direction concerning zoning. Zoning has no impact on property taxes. Should the Town of Cady continue to develop a Zoning Ordinance?”

Yes

No

This referendum is an advisory referendum. The governing body of the Town of Cady is not legally bound by the results of this advisory referendum.

### EXPLANATION

A “yes” vote would advise the Cady Town Board that you want them to create a Zoning Ordinance.

A “no” vote would advise the Cady Town Board that you would like Cady to stay as it is, without a Zoning Ordinance.

---

## TOWN OF SPRINGFIELD REFERENDUM

---

Town of Springfield Voters Only

The question will appear on the ballot as follows:

“Under state law, the increase in the levy of the Town of Springfield for the tax to be imposed for the next fiscal year, 2019, is limited to 0.015%, which results in a levy of \$131,048. Shall the Town of Springfield be allowed to exceed this limit and increase the levy for the next fiscal year, 2019, by a total of 38%, which results in a levy of \$181,048?”

Yes

No

### EXPLANATION

A “yes” vote will allow the Town Board of the Town of Springfield to increase its town levy by \$50,000 for 2018 tax bills which are payable in fiscal year 2019, and in subsequent years. This is an increase of 38% in the town levy for 2018 tax bills payable in 2019 and will be a similar percentage increase in the town levy in subsequent years. The primary need for the levy increase is to pay for necessary town road maintenance, paving, and reconstruction.

A “no” vote would prohibit a levy increase beyond the percentage allowed under the state levy limit law, which currently limits the increase to the percentage change in the Town’s January 1, 2018 equalized value due to new construction. For 2018 tax bills payable in 2019, a “no” vote would limit the Town of Springfield’s percentage increase in the town levy to 0.015% or \$131,048.
