

## VSQG Business and Church INVENTORY FORM

**Qualification:** A business or church qualifies as a Very Small Quantity Generator (VSQG) if it generates less than 220 pounds of waste per month *and* has less than 2,200 pounds in storage.

**NEW PROCESS!** The county has a new hazardous waste vendor located in Somerset. Businesses and churches **no longer need to register for the fall Clean Sweep event.** You will be able to schedule a drop-off appointment any time during the year. Fill out the form, email it to Logistics Recycling (LRI), they will then call you to schedule a drop-off appointment in Somerset, WI.

The county recommends Logistics Recycling as a resource to facilitate proper hazardous waste disposal but **does not cover costs.**

**Please print neatly. If you received this form digitally, fill in the blanks, save and email back.**
