OFFICE OF THE ST. CROIX COUNTY CLERK
TO THE VOTERS OF ST. CROIX COUNTY

Notice is hereby given of a spring election to be held in St. Croix County, on April 2, 2019, at which the officers named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Optical Scan Voting Ballots are Used

The voter shall fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an electronic ballot marking device ("ExpressVote") insert the activation card into the ExpressVote to mark a ballot. The voter shall then touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils an **optical scan or ExpressVote ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

After Voting the Ballot

After an official **optical scan** or **ExpressVote** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. After an **official paper ballot** is marked, it shall be folded so the inside marks do not show. The voter shall deposit the voted ballot in the ballot box or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.
