Please answer the following questions and provide any additional information, plans, or other materials that you feel addresses these criteria in support of your request (*use backside of this sheet or attach additional paper as necessary*):

1) How does this request relate to the request on your original permit application?

2) Explain how literal enforcement of the Ordinance would unreasonably prevent you from using your property for a permitted use and why the standards in the Ordinance should not apply to your property.

- 3) Describe the unique characteristics of your property with respect to lot size, shape, topography, and other physical limitations that make literal enforcement of the Ordinance impractical. Were any of these limitations created by you or by past property owners?
- 4) What other options have you considered and why were they not chosen?
- 5) Explain how granting this variance is consistent with protecting the public interest; in particular, explain how it will impact sensitive public resources and/or adjacent properties.
- 6) How is granting this variance consistent with the spirit and intent of the Ordinance; in particular, how will it meet the purpose of the zoning district(s) in which your property is located?
