Remainder of Phase 1

Critical Populations

General Populations

An announcement will be made when vaccine supplies reach a point that allows partners to begin taking appointments and providing COVID-19 vaccinations to community members.

Remainder of Phase 1 & Phase 2

Critical Populations

General Populations

Vaccine distribution will be widespread and will be incorporated into preventative care.

Have COVID-19 vaccine questions?

Email the WI Department of Health Services at DHSCOVIDVACCINEPUBLIC@wi.gov

Note: It is expected that vaccines will not become widely available to community members until Summer 2021 or later. Distribution groups and timelines of phases shown are tentative. This information is subject to change due to future vaccine distribution guidance recommendations, FDA approval of vaccines, and vaccine allocation/availability.
